SUMMARY

Frontend and full stack web developer with hands-on experience building responsive web applications through internship and academic projects. Worked with HTML, CSS, JavaScript, PHP, and MySQL to develop authentication systems, CRUD-based applications, and database-driven projects. Familiar with Git, GitHub, REST APIs, and deployment platforms like Netlify.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6), React.js (Basics), Tailwind CSS, Responsive Web Design

Backend: PHP, Node.js, Express.js, REST API Fundamentals

Database: MySQL, MongoDB

Programming Languages: Java, JavaScript, PHP, C++

Tools & Platforms: Git, GitHub, VS Code, Postman, Netlify

EXPERIENCE

Web Development Intern

Varenyam Yoga Pvt Ltd

Jan 2025 – Apr 2025

Hyderabad, India

- Developed and maintained responsive web pages using HTML, CSS, and JavaScript.
- Implemented UI modifications based on client and project requirements.
- Collaborated in a live development environment with developers and stakeholders.
- Assisted in webpage customization, debugging, and responsive UI updates.

PROJECTS

Dev Utility Hub

HTML, CSS, JavaScript

2026

GitHub Repo

- Developed a multi-utility web platform containing developer-focused productivity tools.
- Implemented responsive UI components and interactive JavaScript functionalities.
- Organized multiple utility tools with a clean and responsive interface.

Local Service Complaint and Resolution System (Group Project)

HTML, CSS, JavaScript, PHP, MySQL

2026

- Developed a complaint management system for reporting and resolving local service issues.
- Implemented user registration and login authentication with database connectivity.
- Built complaint submission and data management functionalities using PHP and MySQL.
- Contributed majorly to frontend development and backend integration.

Notes Management Application

HTML, CSS, JavaScript, PHP, MySQL

2025

- Built a notes management system with create, update, and delete functionality.
- Integrated MySQL database for persistent note storage and retrieval.
- Connected frontend forms with backend PHP scripts for note management.

EDUCATION

Amrapali University, Haldwani

Bachelor of Computer Applications (BCA)

Uttarakhand, India

2023 – 2026

K.V.M Public School, Haldwani

Senior Secondary (Class XII)

CBSE
